A STYLISH LIFE

Insider's Guide

NoVA notables share their fashion-forward advice on how to lead a stylish life.

"I love my Louise et Cie boots. Red is my favorite color."

Live Mind

"I am partial to Old Town Alexandria. I really love the charm of the independent boutiques. I love the shoes at Shoe Hive. I have been shopping there for 15 years and it never gets old."

Hello Moto

"My work is super casual. Jeans, a concert T-shirt, Doc Martens and a moto jacket. At last count, I own over 15 moto jackets."

About Face

"I am obsessed with Alchimie Forever. It's based in DC, but sold at Bellecara in Old Town. The Kantic Moisturizer Mask and Protective Day Cream are my favorites."

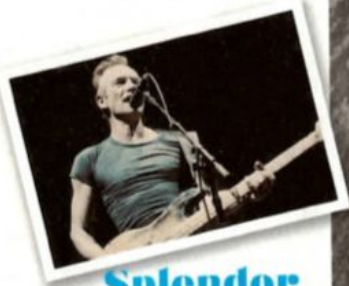

Good Jeans

"I wear jeans almost every day. I found a pair of jeans at Topshop with red piping and embroidered flowers. They're perfect for work to evening activities and look great with sneakers and heels."

Splendor in the Grass

"There's nothing better than a picnic, wine, music and a blanket on a summer night at Wolf Trap. This summer, we have plans to see Kacey Musgraves and Sting."

KELLY COLLIS and her morning show host Tommy McFly had been mainstays on the DC airwaves for seven years when a music format change last year abruptly took them off the radio. Instead of going their separate ways, the dynamic duo dusted themselves off and, in February, launched "The Tommy Show starring Kelly Collis and Tommy McFly," a live morning show broadcast found via the Tommy Show app, offering their fans a new way to get a daily dose of their signature charm. Here, Collis shares her fave fashion finds and go-to NoVA hot spots. -KB

"My two favorite teams are the Nationals and Caps."
