2. ALCHIMIE FOREVER **Advanced Retinol Serum + Time Release Technology**

With 0.75 percent pure retinol and a gentle delivery system, this powerful serum is a heavy hitter among anti-aging products. Its time-released technology helps reduce the appearance of fine lines, wrinkles and uneven pigmentation, without side effects. Dermatologist-formulated in Switzerland, the serum contains powerful antioxidants like apple stem-cell extract, collagen-boosting red clover, green tea and European blue berry.
