"CLEANICAL"  
SKIN CARE

THESE HYBRIDS—NONTOXIC FORMULAS WITH CLINICAL POWER—ARE YOUR ANSWER TO GOING CLEAN WHILE GETTING REAL RESULTS.  
BY KATE SANDOVAL BOX

Another shift: "There has been a realization that some lab-made synthetic ingredients are perfectly safe and may sometimes be more sustainable than depleting a natural resource," says Ada Polla, the CEO of Alchimie Forever, a clean brand formulated by dermatologists. On the flip side,
