

M30 DSS AUTOMATIC

ULTRA-LEGIBLE AND VIRTUALLY INDESTRUCTIBLE

DIVE / WATERSPORTS

The latest addition to our DSS (Deep Sea System) family, the M30 DSS sets new standards for reliability, durability and affordability in a self-winding diver's watch. Featuring a striking "shark-tooth" dial, scratchproof sapphire crystal, display back and 300M/1000FT rating, the M30 is powered by our new NH35 Roto-Wind automatic movement from Japan. No battery required. This is the new badge of the serious diver.

La dernière addition à notre famille DSS (Deep Sea System) est la M30 DSS. Une montre qui soulève la barre pour la montre de plongée automatique : elle offre une fiabilité et une robustesse sans égale, à un prix étonnamment abordable. Le cadran avec ses indexes « dent de requin » ultra-lisible, le verre saphir presqu'inrayable et le fond-de-boitier transparent, qui révèle le nouveau mouvement automatique NH35 Roto-Wind, fabriqué pour Momentum® au Japon. Plus besoin d'une pile. La M30 est le nouvel insigne du plongeur sérieux.

Model shown: 1M-DV30B0

Dimensions:

Large size / Grande Taille

Case diameter with crown:	48.27mm
Case diameter:	44.20mm
Lug to Lug:	52.55mm
Thickness:	15.00mm
Band Width / Entrecorne:	22.00mm
Weight (including bracelet):	0.22kg/0.45lb

Technology

Analogue with Japanese Automatic Mechanical

Functions

HH, MM, SS, DATE

Power

Automatic, wound by motion of wrist

Case

Solid 316L Stainless Steel, Mineral glass display back

Crystal

Flat, Scratch resistant Sapphire Glass

Finish

Matte Stainless Steel

Water-Resistance

300M / 1000FT

Dial Colours

Black

Model shown is one example. Dial colours and band options vary (where applicable).
