

Machine Service Price List

In order to provide the best machine repair/maintenance services, a thorough inspection will be done on your machines first. The initial inspection fee is \$75. We will then provide you with an estimate of the repair/maintenance costs. After you approve the repair/maintenance costs, the \$75 inspection fee will be credited against the repair/maintenance cost. If for any reason you decide to not proceed with the repair and maintenance of your machine, you will only be charged the inspection fee.
