Dear Kaz's Knife and Kitchenware,

I am writing to thank you for your very generous donation in support of Cancer Council's research, prevention and support services. All of us here at Cancer Council Australia are touched by your generosity and are grateful that you have chosen to support our work.

As the nation's peak, independent cancer control organisation, Cancer Council* relies on community support like yours to fund our programs and services. Without your help, we would not be able to fund such vital work.

As well as being the largest independent funder of cancer research, Cancer Council invests in cancer prevention campaigns and activities like the Quit smoking and SunSmart programs, offers a range of services to support cancer patients and their families, advises governments on improvements to the health system, and develops best practice treatment guidelines for health professionals.

We depend on the generosity of our supporters to continue this critical work in our ongoing efforts to beat cancer. To keep up-to-date with how your support is helping, you may like to visit cancer.org.au or [keep in touch via Facebook or Twitter](#).

This donation to Cancer Council Australia is tax deductible. Please use the receipt below to claim the deduction.

Thank you so much for helping us to make a difference.

Warm regards,

Prof Sanchia Aranda
Chief Executive Officer

*Cancer Council Australia and its members, the state and territory Cancer Councils.
