Dear Kaz's Knife and Kitchenware,

Thank you for your generous donation to support Cancer Council's vital research, prevention and support services.

Together, with your support we:

- Contribute approximately \$65 million (with our research partners) to vital cancer research.
- Provide Cancer Council's 13 11 20 information and support service, which offers practical support services such as financial, legal, accommodation and transport services as well as emotional support to patients, carers and health professionals.
- Conduct campaigns and programs promoting ways to help prevent cancer and to detect it earlier, which has helped in reducing the number of lives lost to bowel, breast and other cancers.

We do not receive ongoing government funding and rely on community and corporate support. That's why your contribution is so important. Without your help, we would not be able to fund such vital work. Thank you so much for helping us to make a difference. We greatly appreciate your support.

This donation to Cancer Council Australia is tax deductible. Please use the receipt below to claim the deduction.
