

Complete Vitamin C Serum

with Ferulic Acid

High-potency vitamin C serum for healthy, glowing skin and anti-oxidant protection. Contains a rich anti-aging peptide complex with 11 botanical essential oils, extracts and vitamins C and E. This mild formula protects the skin's natural barrier, preventing it from being over dry.

KEY BENEFITS

Complete Vitamin C Serum with Ferulic Acid is a powerful combination of the best antioxidants for preserving healthy, glowing skin. This highly potent blend of L-Ascorbic Acid (Vitamin C) 15%, Tocopherol (Vitamin E) 1%, Ferulic Acid 0.5% and with a dual Trans-Epidermal Carrier for maximum penetration. Regular use of Complete Vitamin C Serum with Ferulic Acid reverses the signs of aging by increasing collagen production, providing superior anti-oxidant protection, correcting hyperpigmentation, and reducing the appearance of fine lines and wrinkles. This clinically proven formula features Ferulic Acid to enhance photo-protection of the skin against UV damage by 8 times and reduce sunburned cells by 96%. Complete Vitamin C Serum with Ferulic Acid gives unequalled anti-aging benefits with high concentrations of antioxidants to rejuvenate the skin, fight free radicals, and provide maximum protection against environmental and UV induced skin damage.

INGREDIENTS

Water, Ascorbic Acid, Ethoxydiglycol, PPG-26-Buteth-26, PEG-40 Hydrogenated Castor Oil, Tocopherol, Glycerin, Acetyl Octapeptide-3, Ferulic Acid, Panthenol, Sodium Hyaluronate, Phenoxyethanol, Triethanolamine, Sodium Metabisulfite.

DIRECTIONS

Apply droplets from syringe onto clean fingers and smooth over face and neck, avoiding the eye area. Allow to absorb before applying additional products to the face. Use twice daily or as directed by a physician.

Follow up with Complete Skin Repair Moisturizer.

Caution: For topical use only. If irritation occurs, stop product use. When using product avoid contact with eyes.
