

# Upgraded Pad Conditioner

## Overview

The Entrepix Pad Conditioner offers a complete solution to replace the existing OEM design. The Pad Conditioner mounts just like the legacy solution and features upgrades that improve operation and ease of maintenance.

## Highlights

- Clear cover allows for ease of belt and pneumatic line inspection
- Teflon coating on hub and arm deflects waste slurry, keeping the assembly clean
- New head flexure design extends operation life
- All parts are backwards compatible with existing builds
