TASMANIAN CLEANER'S SPECIALIST

**“WE OFFER A WORKPLACE  
NEEDS ASSESSMENT FOR  
EQUIPMENT REQUIREMENTS  
AND CHEMICAL APPLICATIONS.”**

## **Our Assessment Process:**

1. Schedule a time to meet on site with your SME.
2. Perform a walk-through of your environments, assessing size, use, surfaces and traffic flow.
3. Document your required level of industry standards for each environment and frequency of cleans.
4. Determine the size of your cleaning teams.
5. Discuss your current issues & improvement goals.
6. Understand your budget & procurement process.

**“We tailor specialised  
cleaning equipment &  
chemical packages to  
suit your industry.”**
