Redefine Your Ideal Bucket List

Better Production • More Even Loading • Superior Durability

Wide Boy™ Bucket & Lid

High-production 5-gallon bucket for large jobs. Built-in 19" wide roll-off grid. Sturdy, no-tip design; heavy-duty 5/16" galvanized bail with comfort grip. Durable, seamless, green™ polypropylene resists solvents and paint buildup. 14" L x 24" W x 10" D. Lid protects paint from debris and skim-over on the job, stores paint and tools for days. Made of gray, solvent-resistant PET, a recycled plastic.

4-Gallon Bucket & Lid

Built-in 10" wide roller grid. No-tip design; extra-strong 1/4" galvanized bail with comfort grip. Sloped bottom keeps paint at the front for more efficient loading. Easy on and off tan lid prevents skim-over on the job, stores paint and tools for days. Bucket and lid made of durable polypropylene to resist solvents and paint buildup. 13½" L x 15" W x 9" D.

Speed Bucket™

Quickly brush and roll with one bucket. Convenient, medium-sized pail works with covers 7" or smaller. Built-in grid with extra ribbing, and legs for added stability. Integrated magnet holds a brush by its ferrule; won't rust or trap paint. Large, 1/2-gallon capacity means less labor to refill. Made from durable polypropylene, it resists paint buildup so cleaning is easy. 11½" L x 11¼" W x 8¾" D.

Pelican® Hand-Held Pail & Liner 3-Pack

Built-in grid works with rollers 4½" or smaller. Integrated magnet holds a brush; won't rust or trap paint. Soft-feel security strap automatically expands for larger hands; side indents for better grip and control. Made of durable polypropylene to resist solvents and paint buildup. 8½" L x 7" W x 6½" D. Rigid, form-fitting liners are great for quick color changes, eliminate cleanup. Made of clear, solvent-resistant PET, a recycled plastic.

See reverse side for Wooster trays & liners.

WOOSTER

Heavy-Duty Trays

Big Ben® Paint Tray

“All in One” tray, excellent for 9”, 14” and 18” frames. Holds one gallon of paint and a miniroller, brush, and 9” roller together. Stiffer than similar plastic trays to evenly load the roller. Lighter than comparable metal trays. Handy edge compartments hold brushes and tools. Green™ polypropylene resists solvents and paint buildup for easy cleaning. 16” L x 21” W x 4” D.

Sherlock® Bucket-Tray™ & Liner

Tray and bucket hybrid with built-in 14” wide roll-off grid. One gallon capacity, with side handles for easy moving. Durable, green polypropylene resists solvents and paint buildup. 14” L x 18” W x 7” D. Liner provides instant cleanup. Rigid and form-fitting, resists cracking. Made of clear, solvent-resistant PET, a recycled plastic.

Hefty Deep-Well™ Tray & Liner

Handles big jobs with large width and capacity. Made of heavy-gauge, rust-resistant steel with a bright finish. Sturdy, ribbed roll-off area and legs to keep the tray level. 19” L x 13” W x 4” D. Form-fitting liner makes cleanup easier and extends the life of the tray. Made of clear, solvent-resistant PET, a recycled plastic.

Deluxe Metal or Plastic Trays & Liner

Deluxe Plastic Tray is made of rust-proof and solvent-resistant copolymer polypropylene. Professional metal tray is rust-resistant steel with a bright finish. Welded legs keep the tray level. Both are 16½” L x 11” W x 2½” D. Form-fitting liner eliminates cleanup and extends the life of the trays. Made of clear, solvent-resistant PET, a recycled plastic. Bulk liners available in a convenient, resealable bag.
