

Factory process workers (day/night shift)

At Akaroa Salmon we operate two sea-pen Chinook salmon production farms, located within the confines of Akaroa Harbour.

We have been operating for over 30 years and are a well-established and respected salmon producer. We operate a processing facility in Christchurch and from there our fresh chilled salmon are distributed through-out NZ and around the world.

We are looking for suitable candidates to work in our central Christchurch processing factory. This is a great time to join our growing company and the exciting NZ salmon farming industry. Later this year we will moving into our brand-new state of the art processing factory located in Wigram, Christchurch.

These are full time permanent positions. Shift hours are as follows:

Day shift - 8am to 5pm

Night shift - 8pm to 5am

Factory processing positions include:

Filleting

Pin boning

Packing

Quality control

Within this role there are many opportunities to grow within our organisation. Applicants must be either NZ residents or hold a current working visa.

Remuneration is commensurate with experience and overtime is available. Please contact us for further details.
