FLORAL DESIGNER

Compass Rose Floral LLC

An Adrienne & Co. LTD Company

The Floral Designer is responsible for properly preparing and executing floral designs as directed by the Senior Floral Designer. They take ownership of their assignments and tasks to ensure excellent designs! They must have an exceptional team attitude, attention to detail, excellent design style, and represent the company with poise, organization, and a servant attitude throughout the entire process.

Being on the Compass Rose Floral team means working with a supportive, collaborative, and cheerful group! Our team works Tuesday through Saturday designing budget-friendly and eco-friendly faux florals for all types of events and occasions.

Our direction, plans, and every day work style are governed by our Daily Commitments listed below along with our Code of Conduct and Values listed in our Employment Handbook.

- Be of Service
- Create Value
- Build Trust
- Show Love
- Share Joy

We expect all members of our team to follow these commitments in everything they do. We are a very team focused company, placing a high value on our individual talents and creativity, while constantly learning from each other. Each member of our team is an integral part of our success as a company. As such, we expect high performance, ownership of projects, and a dedicated commitment from our team members to the company, our partners, and our clients. We work hard but we have a lot of fun doing it!

Once you join Compass Rose Floral, you will work closely with the design team and group of Senior Floral Designers and seasonal Floral Assistants in an upbeat and service focused environment. The team will rely on and enjoy your friendly demeanor, design skills, ability to complete your assignments in the time allotted and willingness to jump in to support team members as needed.

RESPONSIBILITIES

- Execute floral designs based on the order, client style notes, and recipes
- Own your assignments for full completion in the time allotted and upholding our design standards
- Ability to work in a team environment and also on your own
- Ability to take initiative and see the big picture to ensure the overall success of the company
- Utilize your design eye and expertise to make necessary adjustments
- Design orders based on the client's meeting, your creative expertise, and available inventory
- Effectively manage your time and assignments

- Stay up to date on emerging styles and trends in floral design and share ideas with management and team
- Occasional delivery and installation of orders on-site as needed
- Follow all company processes as outlined as a regular part of your role, knowing that they are in place to provide a successful environment for the entire team
- Clearly and proactively communicate with your team and leadership in a timely manner
- Keep an upbeat attitude and calm demeanor
- Willingness to pitch in to assist the team and company as needed
- Do your part in ensuring that the design studio is clean and well-organized
- Follow all internal operating procedures in creating your designs
- Other duties as assigned- we are a small team so everyone is expected to pitch in to help as needed

EXPECTATIONS

- 1+ year in the floral design industry in any capacity is required
