

**2022 Annual Report  
Charlotte County Art Guild, Inc.  
dba Visual Arts Center (VAC)**

**FROM THE PRESIDENT**

The Visual Arts Center (VAC) celebrated its 60<sup>th</sup> Anniversary this year. It took the dedication of many, building on what was put in place by others before them, to get the VAC to where it is today. It is truly something to be proud of, considering that we made it through several hurricanes, a few recessions, an unprecedented world pandemic, and are open and thriving today.

This year has been a roller coaster year. The year began enthusiastically, as we thought we had made it through the pandemic, only to be met with the second wave forcing event cancellations as we started our Fall season. The budget was restructured to adapt for a slow recovery. We were pleasantly surprised at the pace of recovery during the third quarter, ending the year with an unanticipated strong financial finish, exceeding all expectations, and adding to our financial reserves.

A special thanks to our Executive Director, Janet Watermeier, her staff, and the VAC Board Members for delivering solid results in a very challenging environment.

After Janet Watermeier announced she would be retiring as the VAC's Executive Director, the VAC Board conducted a nationwide search for a new Executive Director. We are pleased to announce that Lisa Gallucci, will be your next Executive Director beginning July 1<sup>st</sup>, and we welcome her to the VAC team.

Thank you to everyone for your contribution in time, talent, treasure, and spirit, for keeping this incredible community art center improving and growing.

**FROM THE EXECUTIVE DIRECTOR**

This was the year of recovery after the outfall from COVID-19. We began the year with a gradual increase in activity and ended the year with strong financial results and positive cash flow. The 13<sup>th</sup> biennial National Art Exhibition attracted more than 400 artists from 29 states and 6 countries. It was a celebratory year, ending with the Visual Arts Center's 60<sup>th</sup> Anniversary Party, and a return to seeing formal gatherings.

I am retiring from the Visual Arts Center (VAC). It has truly been a pleasure being part of the VAC over the past six years. I am looking forward to the next chapter, but memories from the VAC will remain with me forever.

What a pleasure it was meeting creative people and working together to enhance art in our community. I was always amazed by the variety and strength of artistic talent in our community. I cannot thank you enough for your friendship and support as we together transformed the Visual Arts Center into what it is today.

A special thanks to the VAC board, staff, instructors, and volunteers who work tirelessly to make the Visual Arts Center a very special place for all to enjoy.

Thank you for the opportunity of serving as the Visual Arts Center's Executive Director. I enjoyed every minute of it.

## TREASURER'S REPORT

The fiscal year began as a very challenging year for the Visual Arts Center as the community began to recover from COVID-19. With the return of in-person classes and events and the help of several successful fundraising campaigns, the year ended ahead of budget in a revenue positive position instead of a projected loss, and we were able to grow our reserves.

First and second quarters were slower than anticipated due to the resurgence of COVID-19, however, the third quarter gained momentum resulting in a very strong year. The VAC is in a good financial position as it enters the next fiscal year.

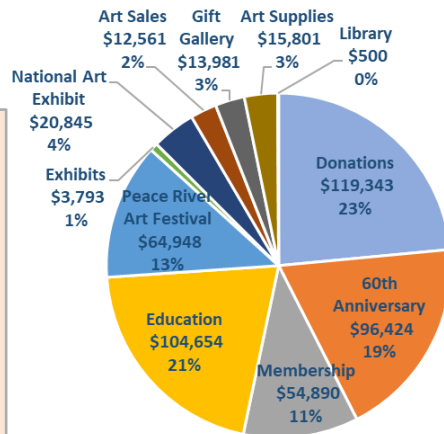

- Operating Revenue: \$794,713, 167% of the previous year.
- Program & Product Revenue (Classes, Exhibits, Art Sales, Art Supplies, Membership & Events): \$454,299 with 50% returned to artists through art sales, awards, and instructor fees.
- Community Support: \$230,845 from giving campaigns, donations, and sponsorships, 29% of Operating Revenue.
- Restricted Revenue: \$42,750, including VAC Endowment Trust.
- Net Revenue: **\$107,830** (with Restricted Revenue before Depreciation).
- Current Assets: Ended the year at \$305,246 comprised of \$278,999 in bank accounts and \$26,247 in inventory.
- Total Assets: Ended the year at \$742,864 (with Depreciation)

## VAC ENDOWMENT TRUST ANNUAL REPORT 2021 - 2022

The VAC Endowment Trust provides long term fiscal management of donated funds to support the future of the Visual Arts Center (VAC). Its primary mission is to preserve investment value by monitoring the portfolio managers and obtaining investment management proposals. A yearly contribution to the Visual Arts Center is determined by the Trustees based on the income earned. This past year the VAC distribution was \$39,663. The Trust's balance at the end of May 2022 was 1,094,810.

The Endowment Trust has granted over \$400,489 to the VAC over the past 24 years. An additional \$19,124 has been distributed from the Bowles Fund for Portraiture. The VAC Endowment Trust and the VAC Board of Directors work closely together to ensure that long-term funding and VAC goals are closely aligned.
