Oct 17, 2019 | 9:00am - 3:00pm

Cost: \$120 (VAC Members pay \$100)

Publix Deli Lunch available for \$10, purchased separately online or at the VAC front desk

Participants take home a myriad of new ideas and free product samples to continue working at home. A few hours with Mike will provide inspiration for your next projects as well as a fun time with fellow artists!

In advanced color theory we will study Munsell Color Theory, do a lot of color mixing, and study juxtaposed colors, color relationships, and will make color reference boards that you can refer to for years to come! Color relationships, and several great tips on working with color next to colors, will help you as an artist produce better paintings.
