

"I've been buying the Ultimate Sailing Calendar for almost 30 years. It's a popular, nice gift: the only calendar I would buy for my valued clients. In addition to a great product, the staff makes it simple and efficient to order." – Andrew Robertson, Sr. VP Skipper's Plan Insurance

"The Ultimate Sailing Calendar is eye-catching, very popular and well-received by our customers, for nearly 25 years. When our reps make calls, they see the calendar on everybody's walls."
- Peter Crowder, President K.N. Crowder Mfg. Inc.

"It's a no-brainer to align the Harken brand with the 'Ultimate' in sailing. The grand prix quality of Sharon Green's work, and the quality of the calendar and printing, have made the Ultimate Sailing Calendar a natural affiliation with Harken for more than a decade." – Bill Goggins, CEO Harken USA
