Just Pizzelles offers the world's largest selection of gourmet Italian pizzelle cookies with approximately 65 flavor experiences. Our specialty gourmet sweet treats are both petite in size and have a uniquely soft, flaky texture. Our pizzelle cookies are elegantly packaged and allow clients to fully customize for any occasion.

*delicate and delectable*

In 2009, the company was featured as 'Snack of the Day' on the "Rachael Ray Show" and later participated in the celebrity SWAG bags at the 2010 NYC Oscar Awards event. 🌸

🌸 We have managed to convert a traditional treat into a new, fresh, and innovative specialty item that has proven to be extremely successful. The cookies are packaged in elegant clear bags that are then adorned with upscale satin ribbons and bows which allows for a visually stunning presentation. Just Pizzelles also provides consumers the option to fully customize to meet their needs by changing ribbon color to match events, offering gift card messages, and adding detailed tags to commemorate the occasion. We have mastered the tremendously tough task of shipping such a delicate product with no breakage in the process. We ship our products as promised, which provides you, the consumer, with convenience and reliability to trust Just Pizzelles with all your gift-giving needs.

*convenient ordering*

"Let Us Make Your Special Event 'Unforgettable!'" – This is achieved by offering an exceptional product with style and luxury, while pleasing all senses and taste palettes. 🌸

We are committed to your 100% satisfaction! We guarantee freshness from the moment we ship your order to the moment that you bite into one of our delectable cookies! Let us help your company stand above the rest by offering our taste-tantalizing treats.
