THE INSPIRATIONS

BEHIND THIS COLLECTION

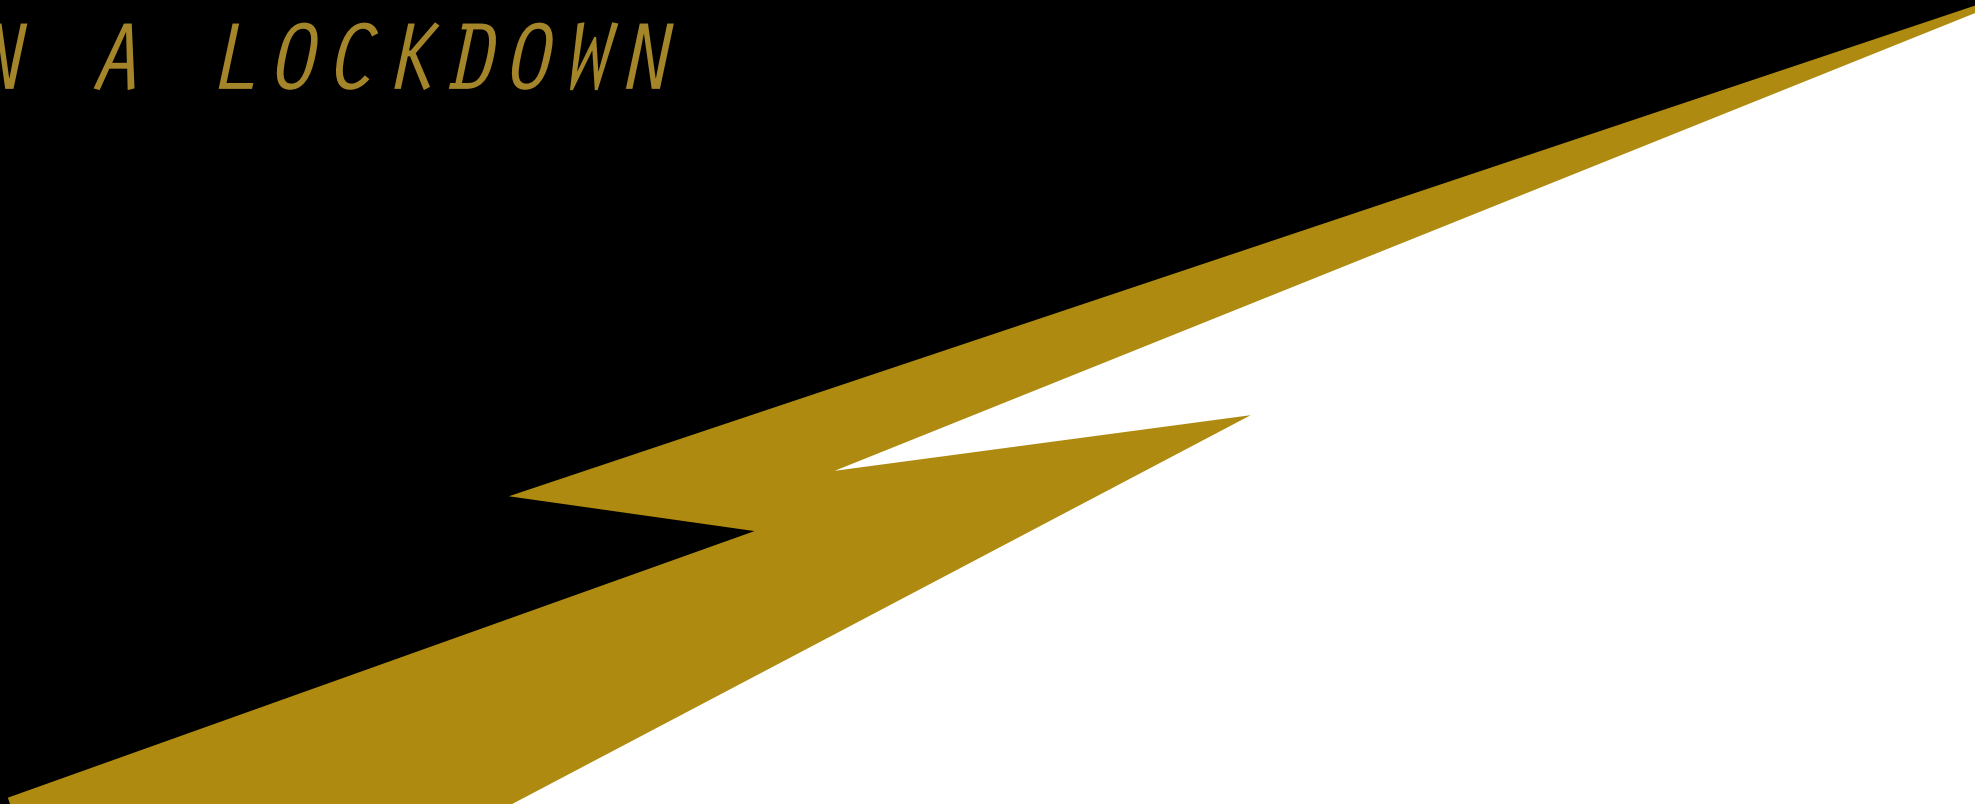

I love jewellery, you could say I'm obsessed. My first taste of designing was my wedding rings and I always dreamt of creating my own collection one day. *Scream Pretty* made my dreams come true!

My first piece of jewellery were pearls from my Mum's best friend Flee. This collection is rooted in my love for them, especially my Mum whose sign off on cards was always 'XX OO XX' - my sister and I had her 'kiss' tattooed on our wrists in remembrance.

Creating a jewellery motif with it felt like a wonderful way to gift and 'send love' in this strange time where we can't be together as much as we want to.

EAR PARTY — PEARL

An on trend contemporary trio for
pearl lovers. Decadent and chic all
at once.

BAROQUE

Decadent pearls are the staple of any jewellery treasure trove. Hannah's taken the classic...

“

TWO OF MY VERY FAVOURITE THINGS; GOLD CHAIN AND PEARLS! I LOVE THE CHUNKY PROFILE THAT MAKES THIS A VERY COOL 'FASHION' PIECE OF JEWELLERY

”

“

*DIAMONDS AND PEARLS ARE
LIKE SALT AND PEPPER –
A CLASSIC DUO!*

With this set you have options!

**Wear as they are or customise
your look by removing one pearl
and adding to a necklace or
bracelet to hit the mismatch trend.**

SPARKLE OVAL HOOP

Dressed up or down, these pretty on trend oval hoops are real scene stealers. No two pairs are the same!

BAROQUE PEARL NECKLACE WITH SLIDER CLASP

So many great styling options with this adjustable pearl necklace. Long, short – mid length. I'm going to wear it with satin slip dresses at choker length and show off the long dangly sparkle on a bare back.

For daywear I'll wear it it long over jumpers. The perfect transeasonal, layerable necklace!

THE HERO PIECE OF THE COLLECTION.

THE STORY BEHIND THIS PIECE IS VERY PERSONAL. MY SISTER AND I WERE LOOKING FOR A WAY TO PERMANENTLY CELEBRATE OUR MUM WHO DIED FROM CANCER IN 2011. WE SEARCHED THROUGH HER LETTERS FOR INSPIRATION – SHE ALWAYS SIGNED OFF HER CARDS ‘XX OO XX’ (HUGS AND KISSES). HER ‘KISS’ IS NOW TATTOOED ON THE INSIDE OF BOTH OUR WRISTS. TO ME IT PERFECTLY SYMBOLISES HER VAST CAPACITY TO LOVE ANYONE AND EVERYONE WITH A HUG AND A KISS.

Hannah Martin ”

A HUG & A KISS...

With this pendant the hug is represented by the circle of pave inset around the edge. The pave 'kiss' is an exact transcription from her card. The inscription 'Love Always' in my handwriting on the reverse makes this a perfect gift for a sister, wife, best friend, girlfriend or family member.

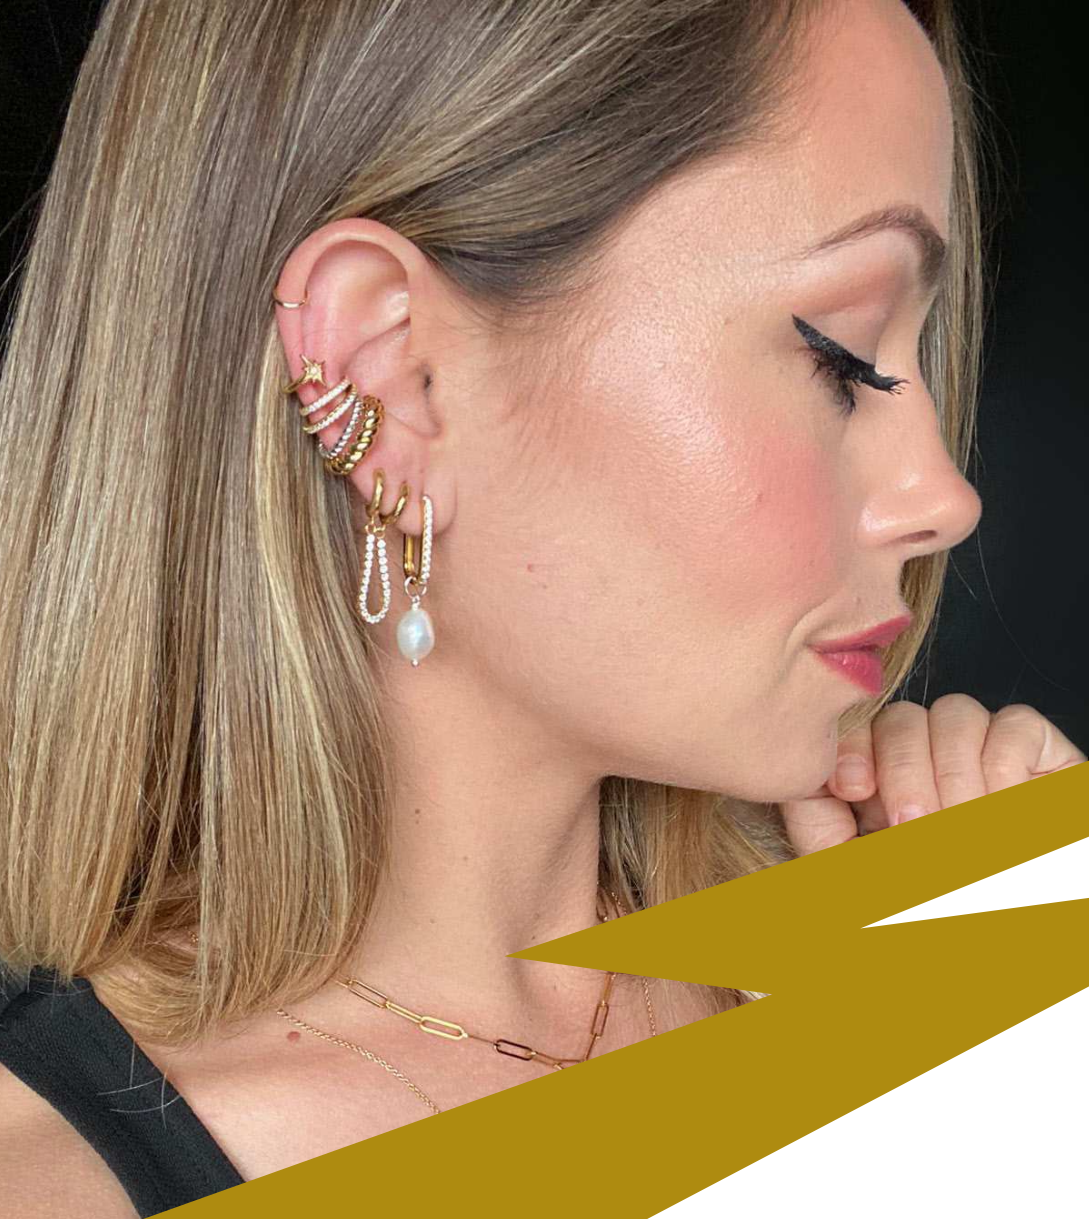

MISMATCHED STUDS

I love a mismatched stud! These look great on a curated ear on adjacent piercings or as a mismatched pair.

A really cute way of sending love to a jewellery loving friend!

CHUNKY EAR CUFF*

Whilst I love my slim twist cuff I designed this chunkier one to wear with it. I'm into a mixed metal ear with silver and gold layered up. Chuck in some pearls and pave to create your own divinely eclectic look.

CHUNKY HUGGIE HOOPS*

A cute and chunky update on the classic huggie. Comfortable and light this is a pair I'm going to wear day in day out!
