

# But First, Coffee.

## BUTTER COFFEE = CLEANER ENERGY

we source our coffee beans with care from **Olympia Roasting Co.**  
**grass fed butter or coconut milk** is blended for stabilized energy.  
**mct oil** from coconuts tells your body + brain to start burning fat.  
traditional wood-fired **maple syrup** adds deep flavor + minerals.  
**grass-fed whey or collagen protein** elevates nutrition + creaminess.  
**herbs + botanicals** boost metabolism, productivity + immunity.
