Real Food, Y'all.

PICNIK = REAL FOOD + GOOD VIBES

At Picnik, we only use **high integrity ingredients** including local, grass-fed and pasture-raised meats, wild-caught fish, local and raw cheese, all-natural bacon, grass-fed butter, whey & collagen, pink himalayan sea salt, raw apple cider vinegar and we **never** use gluten, soy, peanuts or corn.

Avocado Oil is our cooking oil of choice at Picnik. Even though it's 800% more expensive than traditional cooking oil, we use it to fill our fryers and saute our foods because it's so good for your health. It's chock full of heart-healthy fats, Oleic Acid, Vitamin E and carotenoids. The only other oils we use are nutrient dense **Coconut Oil** and **Local Texas Olive Oil**. No fear here, buttercup!
