

A group of people are running on treadmills in a modern gym setting. The image is slightly blurred, suggesting motion. The people are diverse in age and appearance. The gym has a high ceiling with visible structural beams and large windows in the background.

**LANDICE**

# COMMERCIAL TREADMILLS

## SUPERIOR STRENGTH AND DURABILITY

Our treadmills have been placed in the most demanding commercial environments around the world, where our fitness equipment has proven its strength and endurance. When using a Landice treadmill in a commercial facility, you can be confident of its long-lasting and reliable performance.

# EXPERT CRAFTSMANSHIP SINCE 1967

## A SMOOTH RIDE

Landice is the industry leader in treadmill shock absorption. Our standard VFX Shock Absorption System provides optimum comfort while reducing impact on your joints. It is 5 times softer than running on grass and great for runners and walkers seeking impact reduction.

## THE FINEST TREADMILLS

Landice built its reputation on the quality and craftsmanship of its treadmills. Since 1967, we have continuously engineered the most innovative and durable fitness products in the industry, here in the USA.

## COMMERCIAL WARRANTY

The LTD warranty covers products for less than 5 hours of usage per day in a non-pay-for-membership facility.

The Club warranty covers products for more than 5 hours of usage per day in any pay-for-membership facility.

## THE BENCHMARK FOR FITNESS

## CLUB

Designed specifically for high-volume usage in health club settings, the L-Series Club treadmills are ideal for walkers, joggers and serious runners alike. An aluminum frame and whisper quiet 4 HP continuous duty motor are just some of the features found on the Club. The L7 offers one of the lowest step-up heights in the industry while the L9 accommodates users over 6 feet tall with a spacious running surface.

## LTD

Perfect for limited usage applications, the LTD treadmill series accommodates a variety of facilities. The L8 features a 22" wide and 63" long surface which allows even the tallest users to stretch out while exercising. The L7 provides easy deck access with the lowest step-up height in the industry.
