

# HOME TREADMILLS

THE #1 RATED TREADMILL IN THE WORLD

At Landice, our legacy is rooted in the excellence and artistry that define our treadmills. Since 1967, we've been dedicated to engineering the industry's most groundbreaking and enduring fitness solutions, all proudly crafted right here in the USA.

# EXPERT CRAFTSMANSHIP SINCE 1967

## A SMOOTH RIDE

At Landice, we're all about giving your joints a break! Our VFX Shock Absorption System isn't just a fancy name, it's 5 times softer than jogging on grass, making it the dream cushion for both runners and walkers.

If you're all about that "ahh" feeling when your feet hit the surface, our Orthopedic Suspension System takes it up a notch. It's even 7 times softer than the grass you daydream about jogging on, giving your joints and knees an even softer landing. Your joints will thank you for this upgrade!

## THE FINEST TREADMILLS

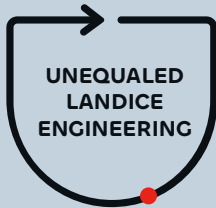

From the most demanding commercial settings, our treadmills have stood the test of time and intensity. This same resilience and durability define our home treadmills too. We've brought the same commercial-grade components to your home workout space, ensuring not just a treadmill, but a trusty companion for the long run. Rest assured, your treadmill is built for longevity and unwavering performance.

## INDUSTRY LEADING WARRANTY

Our confidence in the craftsmanship and top-notch quality of our equipment knows no bounds. That's why we proudly offer the industry's best warranty for our L-Series residential treadmills. Just like our machines, our warranties are designed with longevity in mind. Think of it as a promise that's as sturdy as our machines themselves.  
Limited Lifetime Parts and 1-Year Labor  
(individual console warranties vary)

# THE BENCHMARK FOR FITNESS

## TREADMILL FRAME COMPARISON

Solid aluminum construction — rust free and durable

	L7	L8

Running Surface	20" W x 58" L	22" W x 63" L
Power	110 VAC, 60Hz, 15A	110 VAC, 60Hz, 15A
Roller Size	2 1/2"	3 1/2"
Step-up Height	5 1/2"	7 1/2"
Speed	0.5 to 12 mph	0.5 to 12 mph
Incline	0% to 15%	0% to 15%
Drive System*	4HP Continuous duty DC motor	4HP Continuous duty DC motor
Deck	1" - Reversible	1" - Reversible
Console	Pro Sports, Landice Achieve and Elite	Pro Sports, Landice Achieve and Elite

\*The stated horsepower is based on the motor's horsepower rating as measured in a laboratory setting. The motor's horsepower rating is an indication of the robustness of the motor. It does not reflect the operational horsepower of the motor which is typically limited by home electrical systems.

### L7

Representing the very latest in treadmill innovation, the Landice L7 is ideal for walkers, joggers, and serious runners alike. From the whisper-quiet 4 HP\* continuous duty motor to its rust-free aluminum frame and 20-inch wide by 58-inch long running surface, this treadmill accommodates the active user.

### L8

The Landice L8 treadmill is designed for the treadmill enthusiast who needs to stretch out or for someone looking for a health club experience in their home. The L8 offers one of the most spacious surfaces in the industry, ideal for users over 6 feet tall, marathoners, tri-athletes and competitive runners. The L8 simulates a true outdoor training experience.
