## DINING AXIS

*Axis* dining table is strong and striking, with a bold “X” cross brace that makes a spectacle of structure. Legs touch the ground with our signature poised hoof, and we celebrate the moment where struts cross with an exposed, burnished metal bolt. Heavy construction provides lifetimes of dependability.

The *Axis* table is available as a dining table, side table, and bench, and is the cousin of our *Reader* and *Diner* chairs. This design is part of our modern interpretation of Campaign furniture, created for the British Empire during the 19th and 20th century.
