FRANC

Reliable, handsome and fancy. *Franc* is a big, formal table, ready for anything, and meant to be worn in over a lifetime. He’s our ode to what some might call a French “farmhouse” table, but we don’t believe furniture needs to be confined a specific locale or interior, and our version lives in the city. Invite all of your friends and family over for a good time – this gent is sturdy enough to support both dozens of courses, and for tipsy revelers to dance up and down its length.
