The Roman and Williams Guild Opens With A Chic Bash

by Stephanie Maida · December 20, 2017

Ever since preview photos starting circulating on Instagram, we've been waiting with bated breath for the big reveal of the [Roman and Williams Guild](#), a flagship store and eatery expertly curated and designed. No surprise there, obviously.

On Monday, the interior experts behind the celebrity-favorite firm, Robin Standefer and Stephen Alesch, invited guests to take in the guild, and all its impeccably-decorated glory. Boasting its own line of furniture, lighting, and home accessories, as well as the chic La Mercerie cafe and an in-house flower shop, it's no wonder the place brought out some of the coolest people in New York, from Cynthia Rowley and Kim Gordon to master photography duo, Inez and Vinoodh.
