We know the holidays can be a stressful time, and so does *Gwyneth Paltrow* apparently, because the *goop GIFT* pop-up is now open at 25 Bond Street in New York City. The carefully curated space is obsessively organized, with 12 specific gifting categories, because who *really* wants to white-knuckle their shopping through December

24th (which also not-so-coincidentally happens to be the last day the pop-up is open)? But just in case you don't have the time to peruse the litany of products, *Paltrow* herself put together a gift-guide for us of some of her favorite picks. We're obviously a bit biased towards the homewares, but there's something about a chic children's wool sneaker that pulls at our heartstrings.

**Mosser Glass Pink Cake Stand (\$82):** Whether you're baking rugelach or leaving cookies out for santa, this is the *perfect cake stand* to display your goods this season.

**Allbirds's Smallbirds Wool Runners (\$55):** The cult San Francisco sneaker brand has ventured into a younger market and has created these adorable *new children's shoes* that are too cute not to buy for everyone on your list under four feet.

**Goop x Grey Goose Espresso Martini Set (\$127):** This *Make-Your-Own-Espresso-Martini* gift set—complete with a bottle of Grey Goose delivered right to your door and the chicest pure crystal martini glasses, which are dimpled at the bottom so that liquid pours into the stem —is an effortless way to fuel the festivities. In the goop GIFT pop-up in Noho, it's styled on Roman and Williams's impeccable

Guild Bar Cart (\$9,250) and if you're a really *goodfriend*, you'll buy both.

**YouTheory Collagen Packs (\$21.99):** Speaking of martinis, here's something to add to your (Roman and Williams) bar cart or help cure your holiday hangover: as good in a smoothie as it is in a martini, these *YouTheory Collagen Packs* get Gwyneth's seal of approval.

**Lingua Franca x goop "Shaman Says" Sweater (\$400):** Cozy up in cashmere in *a hand-embroidered sweater* from this year's most statement-making fashion brand.

**Sir Madam Georgian Candlesticks** (*varying sizes starting at \$54*): These are the type of vintage-style candlesticks you dream to stumble upon at some quaint Parisian flea market — except it never happens. Mix and match the three different sizes for the ultimate je ne sais quoi.

**Maisonette's Little Tokyobike** (\$295): The ultimate accessory for hipster children everywhere.
