WEDNESDAY CABINET

Much like the day that falls in the middle of the week, our *Wednesday Cabinet* will be in the middle of your house.

We re-interpreted this hutch from a found piece. Topped by three forged steel shelves, *Wednesday* is a wooden box wrapped in a frame of extruded, bent, and cut steel angles. Combining cast metal and wood is relatively unusual: we find that individual craftsmen often focus on the particular material they work most in.
