The *RW Guild Original Designs Egg Series* lighting collection grows with the *Egg Lamp*, which features a glass shade handblown in Brooklyn nestled on a solid wood base that is crafted in Paris and available in six *RW Guild* exclusive wood finishes. Based on a prototype created by *RW Guild* co-founder *Stephen Alesch*, the *Egg Lamp* radiates with a gradient glass egg shade for striking versatility in the living room, bedroom, entry hall or on a desk. Its legs end in a notched beveled hoof, which is a signature *RW Guild* design detail.

ABOUT THE CREATORS

STEPHEN ALESCH & ROBIN STANDEFER

Robin Standefer and Stephen Alesch are the founders and principals of Roman and Williams and RW Guild. They present a radical vision for the home and a way of living that is not just beautiful and luxurious; it is deeply connected to nature, culture, and community. Following in a tradition of makers who create forms, shapes, and ideas, every piece has a story informed by their years of work and study in the fields of architecture, film, fine art, and interior design. Each of Robin and Stephen's Original Designs is the product of deep research, exhaustive sourcing, and many stages of hand-drafting, constructing, and prototyping—quality is stubbornly uncompromising. Throughout all stages of production, each piece champions natural materials, and the master craftsmen and artisans who have dedicated their lives to proven, ancient techniques and methods. RW Guild Original Designs are about endurance and can be maintained and repaired, every piece a modern heirloom made to last for generations
