The popular *RW Guild Original Designs Oscar* lighting collection grows with the *Oscar Sconce*. It is handcrafted in solid brass in a 150-year-old French workshop employing historical techniques mastered over generations. The *Sconce* is highly adjustable with a two-part arm that swings 180 degrees and then pivots. A classical channel fluted neck and textural knurled collar hold the hand spun brass canopy. Within the 16-inch canopy, a metal shade diffuser offers a soft, indirect light.

ABOUT THE CREATORS

# STEPHEN ALESCH & ROBIN STANDEFER

Robin Standefer and Stephen Alesch are the founders and principals of Roman and Williams and RW Guild. They present a radical vision for the home and a way of living that is not just beautiful and luxurious; it is deeply connected to nature, culture, and community. Following in a tradition of makers who create forms, shapes, and ideas, every piece has a story informed by their years of work and study in the fields of architecture, film, fine art, and interior design. Each of Robin and Stephen's Original Designs is the product of deep research, exhaustive sourcing, and many stages of hand-drafting, constructing, and prototyping—quality is stubbornly uncompromising. Throughout all stages of production, each piece champions natural materials, and the master craftsmen and artisans who have dedicated their lives to proven, ancient techniques and methods. RW Guild Original Designs are about endurance and can be maintained and repaired, every piece a modern heirloom made to last for generations
