The popular *RW Guild Original Designs Oscar* lighting collection grows with the *Oscar Torchiere Floor Lamp*. It is handcrafted in solid brass in a 150-year-old French workshop employing historical techniques mastered over generations. The *Torchiere* features a weight-cast brass base for stability. The statuesque stand narrows with a graceful step detail. A classical channel fluted neck and textural knurled collar hold the hand spun brass canopy. Within the canopy, a metal shade diffuser casts a flattering upward light.

ABOUT THE CREATORS

## STEPHEN ALESCH & ROBIN STANDEFER

*Robin Standefer and Stephen Alesch are the founders and principals of Roman and Williams and RW Guild. They present a radical vision for the home and a way of living that is not just beautiful and luxurious; it is deeply connected to nature, culture, and community. Following in a tradition of makers who create forms, shapes, and ideas, every piece has a story informed by their years of work and study in the fields of architecture, film, fine art, and interior design. Each of Robin and Stephen's Original Designs is the product of deep research, exhaustive sourcing, and many stages of hand-drafting, constructing, and prototyping—quality is stubbornly uncompromising. Throughout all stages of production, each piece champions natural materials, and the master craftsmen and artisans who have dedicated their lives to proven, ancient techniques and methods.
