HOW TO SET UP

1. CHILL YOUR DRINK.

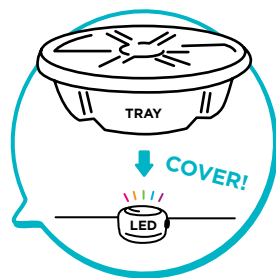

Please chill your drink separately since the luge runs fast.

2. TURN ON LIGHTING.

Choose your favorite color and mode.

3. POSITION THE DRAIN TRAY.

Set LED lighting underneath the tray.
Snap close the lid securely.

4. PLACE THE ICE LUGE SCULPTURE.

Use the gloves included for grip.

5. READY FOR FUN LUGE!

Pour your drink from the top and catch it at the other end.
