52% COMBED RING-SPUN COTTON

43% POLYESTER

5% RAYON

7.8 OZ/YD² | 265 GSM

30 SINGLES

Designed with care and made from 100% combed ring-spun cotton, our eco-friendly tee is yarn dyed using a low-impact pigmentation process which omits chemicals that are harmful to the environment. The fabric is then taken through a special laundering cycle to create a soft, supple hand that is lightweight with a heathered finish uncommon in cotton fabrics. Our eco-friendly tee offers the printing benefits of cotton with the look and feel of the tri-blend

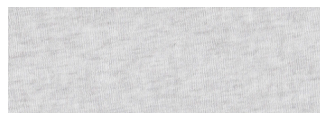

- Tearaway label
- South Korean fabric

- Pre-laundered fabric
- Superb fit
