We are **VERY SELECTIVE** with low-quality/fast fashion brands like Gap, H&M, Old Navy and Target. We typically pass on these (and similar) brands because our customers do not buy them secondhand: Amazon Basics, Bonnie Jean, Carters, Circo, Children's Place, Crazy 8, George/Walmart, Gymboree, Justice, Osh Kosh B'Gosh, Rare Editions, Shein and Wonder Nation.

Since Polo/Ralph Lauren is sold at discount stores like T.J. Maxx, we typically can only price polos, dress shirts and pants around \$9-12. Activewear from brands like Adidas, Champion, Columbia, Nike and Under Armour will not make you much money.

Moms-to-be look for top brands like A Pea in the Pod, Beyond Yoga, HATCH, Isabella Oliver, Latched Mama, Motherhood, Olian, PinkBlush and Séraphine.
