## VOGUE

Brow Code's Alias Lamination Gel features in Vogue Arabia's recent article on How To Create Jennifer Lopez's Sweetly Glamorous Wedding Makeup in 5 Simple Steps. Alias Brow Gel is named by Vogue beauty editor as the product that'll help you create standout brows.

## POPSUGAR.

I Tinted My Brows at Home Using This Kit and Tips From a Pro. I'll definitely use Brow Code's At-Home Tint Kit whenever I need a touch-up between appointments. It's made a huge difference in my eyebrows' appearance, and it's a kit I'll be reaching for in the future.

## BYRDIE

Forget Microblading: Brow Lamination Is My New Secret to Insta-Worthy Brows. This procedure is best for anyone who wants to make a thin brow appear full within 30 minutes as-well-as a more full brow to appear fuller and more fluffy.

## TOWN&COUNTRY

The Soap Brow Trend Explained. The soap brow trend has been growing in popularity since blowing up on TikTok, but it is actually similar to the big brow trend, which took off in the 1940s and 1950s," says Melanie Marris, Celebrity Brow Stylist and Founder and CEO of Brow Code.

## Bustle

How To Get Bella Hadid-Approved '90s Brows - To create a refined and sculpted look that doesn't require any tweezing, Marris suggests defining your brow shape with a product that sets your hairs in place, like Brow Code's Brow Pomade Creamade.

## GRAZIA

In week 12 of Sydney lockdown, my brows look terrible. They're uneven, gappy and melding into one (cute). In the scheme of things it's a very minor issue, but when Brow Codes Brow Tint Kit landed on my desk, it seemed like the opportune time to step out.

## allure

Brow Lamination Gave Me the Fluffiest Brows I've Ever Had. Melanie Marris knew many of her clients would ride-or-die for their laminated brows, so she launched an at-home solution with the Brow Code Advanced Lustre Lamination Kit.

## Forbes

Brow Code, the revolutionary range of brow-focused products designed for professionals and now available for at-home use, announced a collaboration with Face Halo to create the Limited Edition Brow Precision Kit.

## THE EVERYGIRL

Brow Code's At-Home Henna Kit has been listed in The Every Girl's 8 Beauty Products That Elevated My WFH Routine. The best-selling Henna Kit has been listed by The Every Girl beauty editor as as easy to use, at-home eyebrow dye kit.
