RAZOR Plus

The new Bellota RAZOR Plus rasp is replacing the previous RAZOR. It is everything the RAZOR rasp was – and more. Using a higher grade material for the RAZOR Plus, it has proven in farrier testing to have a longer life. The tooth design is more aggressive and requires only a very light stroke in the early stages of using the rasp.

ROYAL WARRANT

Only about 150 companies in the Netherlands are currently entitled to use the prestigious title, "by Royal Warrant". In 2006, when the Kerckhaert company was 100 years old, Kerckhaert was inspected by the local and national government. As a result of this, Kerckhaert was extremely honoured to receive the "by Royal Warrant" in July 2008. Of course, this prestigious award is the result of many years hard work by the different generations of the Kerckhaert family, supported by friends, together with the worldwide network of Kerckhaert dealers and the professional farriers who choose Kerckhaert horseshoes above all others. The Kerckhaert family thanks you all. All "Royal Warrant" enterprises are allowed to incorporate a crown in their logo. As you will have already noticed, the Kerckhaert logo has changed to incorporate this. Kerckhaert is proud to have earned this rare and prestigious title.

Nur etwa 150 Unternehmen in den Niederlanden dürfen derzeit den prestigeträchtigen Titel „by Royal Warrant“ führen. Im Jahre 2006 wurde das Unternehmen Kerckhaert 100 Jahre alt und von der Kommunalverwaltung und der Landesregierung überprüft. Infolgedessen erfuhr Kerckhaert die große Ehre, im Juli 2008 den Titel „by Royal Warrant“ zu erhalten. Natürlich ist diese prestigeträchtige Auszeichnung das Ergebnis unzähliger Jahre an harter Arbeit der verschiedenen Generationen der Familie Kerckhaert, der Unterstützung durch Freunde und der Zusammenarbeit mit dem weltweiten Netzwerk der Kerckhaert-Händler und der professionellen Hufschmiede, die die Beschläge von Kerckhaert allen anderen Beschlägen vorziehen. Die Familie Kerckhaert möchte Ihnen allen hierfür danken. Alle Unternehmen mit der Auszeichnung „Royal Warrant“ dürfen in Ihrem Logo eine Krone tragen. Wie Sie vielleicht bereits bemerkt haben, hat sich das Logo des Unternehmens Kerckhaert geändert und diese Krone wurde in das Logo aufgenommen. Kerckhaert ist stolz darauf, sich diesen seltenen und prestigeträchtigen Titel verdient zu haben.

Jusqu'à présent, uniquement 150 entreprises aux Pays-Bas ont eu le droit d'utiliser ce prestigieux titre qu'est "by Royal Warrant". En 2006, lorsque l'entreprise Kerckhaert fêtait ses 100 ans, l'entreprise est passée au crible des autorités locales et nationales. Par conséquent, Kerckhaert se sentait extrêmement honoré à recevoir ce titre de "by Royal Warrant" en juillet 2008. Bien sûr, cette récompense prestigieuse est le résultat d'un travail dur pendant plusieurs années et par les différentes générations de la famille Kerckhaert, soutenue par les amis, ensemble avec un réseau mondial de distributeurs Kerckhaert et les maréchaux-ferrants qui ont choisi et préféré les fers à cheval de Kerckhaert. La famille Kerckhaert vous remercie. Toutes les entreprises titulaires du "Royal Warrant" sont permises d'incorporer une couronne dans leur logo. Comme vous l'avez déjà remarqué, le logo Kerckhaert a dû être modifié afin de pouvoir incorporer la couronne. Kerckhaert est très fier d'avoir reçu ce titre rare et prestigieux.

Slechts ongeveer 150 bedrijven in Nederland hebben op dit moment het recht om het prestigieuze predicaat "Koninklijk" te mogen dragen. In 2006, toen de Koninklijke Kerckhaert Hoefijzerfabriek 100 jaar oud was, werd het onderzoek door de lokale en nationale overheid uitgevoerd. In juli 2008 werd het predicaat 'Koninklijk' toegekend. Natuurlijk is dit predicaat 'Koninklijk' het resultaat van vele jaren hard werk door de verschillende generaties van de familie Kerckhaert, gesteund door vrienden, samen met het wereldwijde netwerk van Kerckhaert dealers en de professionele hoefmeden die Kerckhaert hoefijzers verkiezen boven alle anderen. De familie Kerckhaert dankt u allen hartelijk. Wanneer een bedrijf het predicaat Koninklijk mag voeren, mag het ook de Koninklijke kroon afbeelden. Zoals u al gemerkt zult hebben, is het Kerckhaert logo veranderd om de kroon daarin op te nemen.
