Spray Technician

For over 100 years, the Chalet has been shaping and beautifying some of the most distinguished properties on the North Shore. We are proud to have a host of satisfied clients as well as a myriad of national and local awards as a testament to our commitment to exceptional products and services.

Job Description:

The responsibilities of our Spray Technician include:

- Providing top notch customer service to both our Maintenance as well as Soil & Turf customers by meeting their needs and exceeding their expectations.
- Performing specialty applications to our customers' turf, perennial beds, shrubs, and trees as needed. Applications will include herbicides, fungicides, insecticides, fertilizers, etc. both granular and liquid.
- Monitor all accounts and make applications for all problems related to insects, diseases, fungi or weed infestation. Evaluate progress and make future recommendations for control. Keep journals/logs to ensure timely and efficient follow up.
- Mixing chemicals and maintaining accuracy and safety.
- Operate and maintain all equipment including company vehicle, sprayers, and spreaders.
- Serve as back up to Lawn Care Technicians to help complete rounds of applications as necessary.

Qualifications:

We are looking for a customer-focused, pro-active team player. We will provide training, but are looking for a candidate who possesses the following qualifications:

- 2+ years of experience working in the landscape or soil and turf IPM management field.
- Illinois Pesticide Turf and General Standards licenses (preferred – but, you can study and sit for the exams after joining our team)
- Mechanically inclined with PC familiarity.
- Have and maintain a current driver's license with a clean record, and be able to lift 75 to 100 lbs.
- Outstanding customer service and time management skills.

Pay & Benefits:

- We have both full time year round as well as seasonal opportunities based out of our North Chicago, IL (near Waukegan) facility. Working hours are 7 am to 5 pm Monday through Saturday in the season.
- Pay will be based on your experience, skills and abilities.
- Benefits include choice of medical plans, dental, life and disability insurance, 401(k) plan with match, holidays, paid time off and product discounts.
