

IMPORTANT!

KEEP FOR FUTURE REFERENCE!

Read all instructions before assembling and using the soft carrier. Check to assure all buckles, snaps, straps, and adjustments are secure before each use. Check for ripped seams, torn straps or fabric and damaged fasteners before each use. Ensure proper placement of child in product including leg placement. Premature infants, infants with respiratory problems, and infants under 4 months are at greatest risk of suffocation. Never use a soft carrier when balance or mobility is impaired because of exercise, drowsiness, or medical conditions. Never use a soft carrier while engaging in activities such as cooking and cleaning which involve a heat source or exposure to chemicals. Never wear a soft carrier while driving or being a passenger in a motor vehicle. Your balance may be adversely affected by your movement and that of your child. Take care when bending or leaning forward. This carrier is not suitable for use during sporting activities.

WARNING

FALL AND SUFFOCATION HAZARD

FALL HAZARD - Infants can fall through a wide leg opening or out of carrier.

- Adjust leg openings to fit baby's legs snugly.
- Before each use, make sure all buckles and adjustments are secure.
- Take special care when leaning or walking.
- Never bend at waist; bend at knees.
- Only use this carrier for children between 7 lb. (3.2 kg) and 35 lb. (15.9 kg).

SUFFOCATION HAZARD - Infants under 4 months can suffocate in this product if face is pressed tight against your body.

- Do not strap infant too tight against your body.
- Allow room for head movement.
- Keep infant's face free from obstructions at all times.
- When using this carrier, constantly monitor your child.

Child must face towards you until he or she can hold head upright.

Washing instructions: machine wash with mild detergent on delicate cycle. Air dry. Spot clean as needed. Avoid frequent washing.

WARNING Constantly monitor your child and ensure the mouth and nose are unobstructed.

WARNING For pre-term, low birthweight babies and children with medical conditions, seek advice from a health professional before using this product.

WARNING Ensure your child's chin is not resting on its chest as its breathing may be restricted which could lead to suffocation.

WARNING To prevent hazards from falling ensure that your child is securely positioned in the sling.

- Awareness of hazards in the domestic environment e.g. heat sources, spilling of hot drinks. Only use the product for the number of children for which the product is intended.
- Take care when bending and leaning forwards or sideways.
- The sling is not suitable for use during sporting activities e.g. running, cycling, swimming and skiing.
- The carer should be aware of the increased risk of your child falling out of the sling as it becomes more active.
- Where applicable the fitting of the sling to the carer and instructions for the adjustment of the sling to the child.
- Regular inspection of the sling for any signs of wear and damage.
- Keep this sling away from children when it is not in use.
