

GREEN REAPER INSECT PROTECT FOR LUGGAGE AND MATTRESSES. DESIGNED FOR SHORT TERM PEST PROTECTION (4 - 6 WEEKS) AGAINST: BEDBUGS, FLEAS, SPIDERS, COCKROACHES AND MOSQUITOES.

DIRECTIONS: Shake well before using

LUGGAGE PROTECTION: Apply a light spray mist to the outer and inner surfaces of the luggage. Before handling allow to completely dry. Re-apply as and when necessary. After use place product out of reach of children.

MATTRESS PROTECTION: Apply a light spray mist to the mattress seams and tufts. Spray joints, baseboards, mouldings and surrounding floor. Before any contact is made allow spray to completely dry. Re-apply as and when necessary. After use place product out of reach of children.

Non-staining spray to most fabrics and surfaces. Always test on a discrete area before full use.

STORAGE: Store in original container, tightly closed, in a dark place. Product degrades if kept in sunlight.

SPILLAGE AND DISPOSAL: Discard rinsed empty container into household rubbish. In the event of a spillage, contain spill and if liquid unable to be recovered for use, absorb with sand or similar material and dispose of in container into rubbish.

FIRST AID: If medical advice is needed, have product container or label on hand. In any case of poisoning contact the National Poison Centre 0800 764 766 or a doctor. If inhaled, move to fresh air, keep warm and rest until recovered. If skin contact occurs, wash with plenty of soap and water. If skin irritation or a rash appears, seek medical attention.

CAUTION - Keep out of reach of children.
Read safety directions before opening or using.
