

Activity: Colorful Calaveras

Decorative Mexican skulls, or *calaveras*, are traditionally made from sugar or clay. They are usually decorated with flowers, hearts, crosses, spiderwebs, paisleys, and leaves. Think about the shapes of the bones and which decoration will fit best.

Heads Up *Día de los Muertos (Day of the Dead) is a Mexican holiday when people get together with friends and family to remember loved ones who have died. The sugar skull is a popular decoration.*
