# RealCup IN-ROOM

Have your guests rise to a Real fresh cup of coffee or tea, brewed one RealCup at a time.

Convenient and cost effective in-room hot beverage solution.

RealCup offers a wide variety of satisfying coffee and tea blends and always delivers a consistent taste.

On average, the In-Room Capsule Brewer requires less electricity to brew than a standard brewer.

Brewers are simple to use and easy to clean, a time and labour savour. They are also safer with no glass carafe or heating plate.
