

ROOK RACE

2017 MODEL

ROOK RACE

Introducing Rook Race, the Ultimate Mash Machine. Made from 6061 aluminium and fitted with a carbon fibre fork. The Rook Race is light, fast and potent! Choose your bar type, so you can ride dropped or with riser bars depending on your preferred riding style. Only available in black on black, it's subtle branding pops in the light but fades back in the dark. Super slick, super fast and ready to rip through your city circuit.
