

# KIT BOX ASSEMBLY INSTRUCTIONS

1

Press both sides of the kit box to form shape. The bottom will automatically fold into place.

2

Fold interior spacing flap into shape.  
Straighten box if needed.

3

Insert Pie Crust Mix and Southern Inspired Pie Filling into Kit box. Pie Crust Mix should sit in front of spacer.

4

Fold top spacing flap into shape.

5

Fold down top cover flap and insert pre-creased edge into box. Tighten other creases if needed.

6

Place provided wafer sticker on top cover flap and back of box to secure.

7

All done!
