About

Anderson Golf is headquartered in Pinehurst, North Carolina. Founded and managed by lifelong golfers, Anderson Golf is all about enhancing the golfer experience with solutions to problems avid golfers face.

CartSkinz are Universal Fit, Neoprene Golf Cart Steering wheel covers designed with the purpose of eliminating black marks on golfer's pants caused by rubber golf cart steering wheels.

- Universal Fit Neoprene covers ensures a snug and comfortable grip for steering wheels ranging from 13"-15", fitting perfectly on golf carts, cars, UTVs, boats, tractors, vans, and buses.
- Lightweight at 2.5 ounces and folds into the size of a sleeve of balls for easy storage in a golf bag pocket for on-the-go use.
- Crafted from top-quality automotive-grade materials, CartSkinz Steering Wheel Covers are engineered for long-lasting durability and exceptional resistance against fading.
- CartSkinz are hassle-free. Machine wash and dry to keep them clean and fresh. Regular maintenance ensures they stay in top condition, adding comfort and style to your drives.
