About

Anderson Golf is headquartered in Pinehurst, North Carolina. Founded and managed by lifelong golfers, Anderson golf is all about enhancing the golfer experience with solutions to problems avid golfers face.

The ShadeTee

The ShadeTee is a lightweight, personal shade solution that transforms the driving range experience from a struggle with heat and damaging rays from the sun to a pleasant session on the range.

- The 6' diameter, 50 UPF canopy ensures maximum protection from the sun's heat and harmful rays.
- Reduces effective temperature on the body up to 30 degrees.
- 3 section telescopic pole constructed from high strength aerospace grade aluminum that adjusts to any height from normal umbrella to 10 feet.
- Mounted in turf using steel stake and rated to perform in winds up to 15 mph. Not recommended in areas where it is often very windy.
- Lightweight and portable. Weighs 4.8 pounds and collapses to 46" overall length to easily store in a golf bag.
- Sets-up and packages by one person in seconds.
- Includes ShadeTee umbrella, Storage Bag with Shoulder strap and Heavy Duty hardened steel Stake.

ShadeTee Umbrella, carrying case with shoulder strap and hardened steel stake

Steel stake rated to perform in winds up to 15mph. Avoid use in gusty wind areas.

6' diameter, 50 UPF shade ensures max protection from sun's heat and harmful rays.

Why Choose Anderson Golf

With the introduction of the ShadeTee in 2021, Anderson Golf introduced world's first and only portable, personal driving range Shade Solution. With over 2,000 ShadeTees currently in use by amateur golfers, professional golfers and golf instructors, the ShadeTee has a proven track record with testimonials from many satisfied customers.

Customer Testimonials

"I love the ShadeTee. When spending hours out on the range tee in the hot sun, it provides serious relief from the harsh sun and heat. ShadeTee is easy to use, it's very portable, and holds up great under all conditions. I would highly recommend ShadeTee to anyone looking to escape from the sun!" - Matt Cahill, Head Golf Professional, Seminole Golf Club

"This is an amazing product ! My students love this while I give them lessons. I Highly recommend all golfers to get one." - Chris Adams, Head Golf Professional, Jacaranda West Country Club

"For years, I had been searching for a safe and economical way to protect myself from the harmful rays of the sun on the practice range. The ShadeTee is the easiest way to protect yourself. In addition to the quality of the product, the customer service Daren and his team provides has far exceeded my expectations". -Matthew Gordon, Director of Instruction, Magnolia Greens Golf Course

Warranty

The Shade Tee is warranted against defects of materials and workmanship for 90 days and are fully refundable within 30 days of purchase. All purchases of the ShadeTee product from Anderson Golf implies agreement that the ShadeTee will not be used in sustained winds of 15 mph or greater. The warranty does not cover damage caused by misuse or by wind. Anderson Golf offers full repair services for the ShadeTee. See repair service details at Anderson Golf online.

Warranty & Return Procedure

Prior to returning any product, Anderson Golf should be contacted at admin@andersongolfideas.com or 910-724-3412 to have a return authorization number assigned. See warranty & return procedure details at Anderson Golf online.

For Clubs and Driving Ranges

While the ShadeTee is great for club members and driving range patrons, the value of the ShadeTee is its light weight and portability. The ShadeTee is not intended to be a permanent shade structure and should not be left unattended when not in use or left standing overnight on the range where heavy winds could arise and damage the ShadeTee.
