Favorite Features

1 Convertible Trolley Sleeve

Slides over your roller suitcase when on the road and zips into an extra pocket when you arrive

2 Electronics are Safe

Store your laptop or tablet in a padded compartment built just for that, or store important documents

3 Never Lose Your Phone

Pack your phone in the easy-access pocket built just for it

4 External Water Bottle Pocket

No more spills! This pocket keeps hydration close & can zip up when you don't need it

5 Shoulder Strap

For convenient carrying on your shoulders or cross-body

On top of all that, the Bento Bag is made of LWG-certified leather and premium weather resistant nylon.

Reviews

"The v4 Bento Bag is the best bag I have ever purchased. I travel the world - they hit "spot on" exactly what you need; it's all in this bag! The very best! Great products, good communication and quick shipping. Highly recommend."

DAVID H.

"I've gone through plenty of bags trying to find the right one size fits all approach for both personal and work travel. This bag is a MUST HAVE for travel both air and land!!! I'd be lost without my Bento Bag."
