ELEVATE® MISSION

OAK

72006 Mission Oak TV Lift Cabinet

The Mission Elevate® Cabinet features a beautiful light oak finish and a sophisticated Arts and Crafts styled design. The Mission's recessed paneling, unique detailing and distinctive oak wood offer warmth and unique style in your family room, living room or bedroom. The black cabinet hardware is consistent with the Arts and Crafts style, with a handsome antique finish. The smaller size of the Mission Elevate® makes it a perfect fit for any room in the house. Like all Touchstone Elevate® cabinets, the Mission Elevate® is completely finished on all four sides, giving it the versatility for both the end of the bed or against the wall placement. Don't let the smaller size of this cabinet fool you, it can still hold most 46" diagonal flat screen TVs.
