

Onyx[®]

50" Wall Mounted Electric Fireplace

ONYX[®] FIREPLACE

80001 50" Wall Mounted Electric Fireplace - Black

With its lifelike flames and stunning black frame, Touchstone's Onyx is the perfect addition to the functionality and style of your home. This 50" wide electric fireplace can be mounted on the wall of your bedroom, family room, or anywhere in your home to offer the aesthetic appeal of a finely crafted fireplace without the troubles or hazards of an actual fire. While the Onyx can be used without the heating feature for simple mood or stylistic purposes, it also offers 2 levels of heating (high and low) to heat any room up to 400 square feet. Additionally, Touchstone's Onyx Electric Fireplace requires a simple installation with easy step by step instructions.
