Wall Insert Electric Fireplace

FORTE FIREPLACE

80006 40" Wall Insert Electric Fireplace - Black

The Touchstone Forte 40" wide Electric Fireplace is designed to be mounted into your wall. This recessed electric fireplace features a classic black glass finish, with 3/4" slots above and below the flame for the fireplace's heater operation. With its large 14" high flame display and distinctive contrasting white stone base, the Forte Electric Fireplace's flames are more intense than other electric fireplaces. Like all Touchstone electric fireplaces, the Forte Electric Fireplace gives you the beauty and warmth of a fireplace without the open flame, smell or cleanup. This electric fireplace heats up to 400 square feet with 5 flame settings and 2 heat settings (1000W and 1500W). A heat-free setting lets you enjoy the realistic flames of the fireplace all year round.
