

Sideline® 36

36" Recessed Electric Fireplace

SIDELINE®36 FIREPLACE

80014 - 36" Wall Recessed Insert Electric Fireplace - Black

Touchstone's 36 inch Sideline® is a compact version of Touchstone's popular 50 inch Sideline®. The Sideline® series has become so popular, customers regularly ask about finding a version in a size that fits their decor or room size. The Sideline®36 has a ventless design, with the vent on the face of the fireplace delivering the heat. Like all Touchstone fireplaces, the Sideline®36 has the most realistic flame available in an electric smokeless fireplace, and it will leave all your friends nervous about putting their hands up to the glass face.
