KARI GRAN TINTED LIP WHIP REVIEW + GIVEAWAY

GREEN

Kari Gran offers skincare that feels luxurious while also being kind to the skin. Their products are beautifully-packaged, simple, and elegant, and they contain nothing but healthy natural ingredients. It's very easy to see why they refer to their brand as the little black dress of eco skincare! Read their story [here](#).

One of their best-sellers is a lip treatment called the [Lip Whip](#), which I tried in the Tinted version. Keep reading for a chance to win your own!

WHAT DOES IT DO?

This is a truly luxurious lip treatment comparable to those of high-end brands. It has a thick texture, and it's not sticky at all on the lips. Rather, it makes them feel extra smooth and nourished. It's great for those who struggle with chapped lips or live in a cold climate, and I say this from personal experience on both accounts! This is a tinted lip product, but the color it provides is extremely sheer. It also has a slight plumping effect and you can feel a tiny bit of a tingle depending on which version you choose. There are [more pigmented versions](#) of this Lip Whip, and there's also a [Naked](#) version for those who prefer no color whatsoever. All of these share the same ultra-moisturizing base.

WHAT'S IN IT?

As it's the case with all of Kari Gran products, all of their ingredients are natural and most of them are also organic. This lip treatment is not vegan, as it contains beeswax and carmine.

INGREDIENTS

Organic Ricinus Communis (Castor Seed) Oil, Organic Beeswax, Organic Helianthus Annuus (Sunflower) Oil, Organic Camellia Oleifera (Camellia Seed) Oil, Organic Olea Europaea (Olive), Helianthus Annuus (Sunflower) & Calendula Officinalis (Calendula) Oil, Mica, Titanium Dioxide, Carmine, Tocopherol (Non GMO Vitamin E From Sunflower), Wildharvested Pimenta Racemosa (Pimenta Berry) Oil, Organic Cinnamomum Zeylanicum (Cinnamon Bark) Oil or Organic Mentha X Piperita (Peppermint) Oil.

WHAT'S THE PACKAGING LIKE?

The high-quality packaging is sturdy and heavier than you would think. Not only does this add to the luxurious feel of the product, but it's also reusable. None of Kari Gran's products are made from plastic.

WHERE CAN I BUY IT?

The Kari Gran Lip Whip is [available at Rodale's](#), where it's currently on sale for a pretty good deal. This offer's for a limited time only, so grab yours while they're still in stock!
